**Question: To ask the Minister for Health the distribution of the booster vaccines to General Practitioners by county in tabular form; and if he will make a statement on the matter.**

Dear Deputy Clarke,

I refer to the above Parliamentary Question which has been referred by the Minister for Health to the Health Service Executive for direct response.

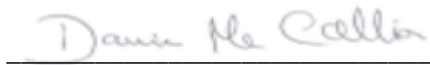

Each GP distributes the vaccine received and places orders accordingly. Please see the below table showing the number of booster orders (in vials and doses) placed by GPs in each county, up to close of business on 12<sup>th</sup> December 2021. The table is sorted in order of size with the county ordering the largest number of vials/doses first through to the county with the smallest number ordered.

County	Booster Vials	Booster Doses
Dublin	32,059	192,354
Cork	15,229	91,374
Galway	7,538	45,228
Limerick	5,655	33,930
Mayo	5,436	32,616
Kerry	5,015	30,090
Tipperary	4,779	28,674
Donegal	4,746	28,476
Kildare	4,406	26,436
Waterford	4,244	25,464
Wexford	4,233	25,398
Meath	3,898	23,388
Wicklow	3,744	22,464
Louth	3,160	18,960
Clare	2,881	17,286
Carlow	2,372	14,232
Westmeath	2,341	14,046
Kilkenny	2,202	13,212
Roscommon	2,088	12,528
Sligo	2,039	12,234
Laois	1,904	11,424
Cavan	1,675	10,050
Monaghan	1,436	8,616
Longford	1,383	8,298
Offaly	1,355	8,130
Leitrim	1,014	6,084

I would also note that there is no constraint in vaccine supply currently. There has been very strong GP participation with over 1,300 practices involved at some point in the programme and the majority are continuing to vaccinate.

I trust this information is of assistance.

Yours sincerely,
