Re.: PQ 60981/21 To ask the Minister for Health if he will report on the progress made to provide a network of primary healthcare centres in Co. Limerick; and if he will make a statement on the matter.

Dear Deputy Collins,

I refer to your recent Parliamentary Question above. I can advise you of the following:

There are currently five Primary Care Centres operational in Limerick City and County as follows:

Primary Care Centre	Operational since
Kings Island, Island Road, Kings Island	7 th March 2012
Barrack View, Lord Edward Street	12 th February 2018
Castletroy, Castletroy Park Commercial Centre, Castletroy	11 th November 2019
Kilmallock, Kilmallock Business Park, Kilmallock	31 st August 2020
Croom, Skagh, Croom	24 th May, 2021

There are a number of further Primary Care Centres planned for Limerick and the up to date position in relation to these is as follows:

Primary Care Centre	Up to date position
Newcastle West	Construction has commenced which is anticipated to be complete by Summer 2022.
Dooradoyle	Planning Permission has been secured with the legal agreement currently being finalised.
Ennis Road	Planning application lodged for proposed development in December 2021.
Abbeyfeale	Priced offer submissions currently being evaluated by HSE Estates.
Cappamore	HSE to advertise development in Quarter 1 2022
Rathkeale	HSE to advertise development in Quarter 1 2022

I can also advise that there is a Capital Development project being scoped for St. Josephs Hospital Campus at Mulgrave Street, Limerick. This will include the provision of a Primary Care Centre for the Market 1 and 2 Primary Care Teams which will cover the Limerick City Centre area from

approximately William Street to the Dublin Road (encompassing the following areas The Market, Garryowen, Gerald Griffin Street, Mulgrave Street, William Street, Summer Street, Custom House, Arthur's Quay, Charlotte Quay, Denmark Street, High Street, Michael Street, St. Lawrence, Newtownmahon, Ballysimon Road, Fairgreen, Kilmallock Road, Singland, St. Patrick's Road, Claughan, Bloodmill Road, Castletroy View, Chesterfield Downs, Childers Road, Hillcroft, Hilltop, Hillcrest, Norwood, Lynwood, Bedford Row, Harvey's Quay, O' Connell Street, Parnell Street, Wickham Street, Old Clare Street, Dublin Road, Rhebogue, Good Shephard, Roches Street, Thomas Street, Pennywell).

I trust this information addresses the issues raised in your Parliamentary Question.

Yours sincerely,

p.p. Carmel McLaughlin
A/Head of Service Primary Care Services
