PQ: 61591/21

**To ask the Minister for Health the steps his Department is taking to inform persons and to promote the medical cannabis access programme as a viable treatment alternative; and if he will make a statement on the matter. -Violet-Anne Wynne**

Dear Deputy Wynne,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 61591/21), which you submitted to the Minister for Health for response.

This PQ is not something the HSE are in a position to comment on.

The PCRS does not promote these products; they are not licensed and licensed alternatives are now available.

Yours sincerely,
