**To ask the Minister for Health the way a person can apply for and access the medical cannabis access programme; and if he will make a statement on the matter. -Violet-Anne Wynne**

Dear Deputy Wynne,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 61593/21), which you submitted to the Minister for Health for response.

It is the consultant prescriber (rather than an application by the patient) who registers a patient under the MCAP and is provided with a patient specific CMUR number for use when prescribing products on Schedule One of the relevant legislation S.I. No 262 of 2019 Misuse of Drugs (Prescription and Control of Supply of Cannabis for Medical Use) Regulations 2019 (as amended).

Yours sincerely,
