Dear Deputy Wynne

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

There are currently 594 patients on the diabetic waiting list, we do have a breakdown of Type 1 and Type 2 Diabetes.

There are 11 of the 594 patients on the waiting list residing outside of the counties mentioned above. The breakdown as below:

Limerick	1

Kilkenny	1
Tipperary (North)	1
Clare	1
<b>Total</b>	<b>11</b>

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,
