Re: PQ 62382/21 To ask the Minister for Health the number of deaths from Covid-19 in 2020 and to date in 2021; the number of deaths in each year involving underlying conditions; and if he will make a statement on the matter.

Dear Deputy Moynihan

I refer to the above Parliamentary Question which has been referred by the Minister for Health to the Health Service Executive for direct response.

HPSC currently publishes a weekly report on COVID-19 deaths in Ireland available on the HPSC website here: <https://www.hpsc.ie/a-z/respiratory/coronavirus/novelcoronavirus/surveillance/weeklyreporton-covid-19deathsreportedinireland/> The report includes a table on characteristics of deaths including if underlying conditions were present.

If you require any further information or clarification please do contact us.

Yours sincerely,

Dr Lois O'Connor MB MICGP MPH MFPHMI, IMC 021192
Interim Director of HPSC,
