Michael Ring T.D.

4th January 2022

PQ62464/21 To ask the Minister for Health the reason there is not a transfer system in place for speech and language therapy staff in the HSE; if this will be considered; and if he will make a statement on the matter. -Michael Ring

Dear Deputy,

I refer to your recent parliamentary question above which was sent to the HSE for reply.

While there is no existing transfer policy in place at present for Speech & Language Therapy grades, the HSE are engaged in a lengthy process with the staff representative bodies to try to establish a workable staff mobility policy. Further discussions are scheduled to take place on this matter in the new year between both parties.

To advise the Deputy that when a position is available it is advertised on HSE.jobs.ie and is filled through either open recruitment, internal recruitment or by Expression of Interest.

Yours sincerely,
