PQ 10079/19 * To ask the Minister for Health the target number of beds by bed type in each hospital by hospital group for 31 December 2021 as funded in Budget 2021, in tabular form; and if he will make a statement on the matter.

-David Cullinane

Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

1,146 beds are opening on a phased basis throughout 2020 and 2021.

Appendix 1 sets out the number and location of the additional 1,146 beds.

I trust this answers your question to your satisfaction.

Yours sincerely,

Ms. Trina Doran
