PQ10315-21 To ask the Minister for Health the steps he and his Department are taking to resolve and prevent technical issues faced by dentists and dental staff when registering for the Covid-19 vaccine; and if he will make a statement on the matter. -

Dear Deputy Burke

The HSE worked closely with the IDA to identify and resolve issues with the vaccination of Dentists. The most recent communication from the IDA acknowledges the significant progress made and work continues to ensure that all Dentists who seek a vaccination are facilitated without delay.

I trust this answers your question to your satisfaction.

Yours sincerely
