PQ 10403/20 * To ask the Minister for Health the progress of the tender process for the new day unit for Naas General Hospital; and if he will make a statement on the matter. -Pádraig O'Sullivan

Dear Deputy O'Sullivan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Funding has been provided to progress the Day Procedures/Endoscopy, Oncology and Physical Therapy Unit at Naas General Hospital and specifically capital funding has been made available to appoint technical consultants to progress the project. The tender is underway for a full design team (6 no. technical consultants); seeking technical consultants to take the project from Stage (ii)A to project completion and we expect to award a contract within the next 7 months.

Yours sincerely,

Jim Curran
