## **BY EMAIL ONLY**

## **Deputy Róisín Shortall**

Dáil Éireann Leinster House Kildare Street Dublin 2

Date: 16<sup>th</sup> March 2021

PQ 10483/21 - To ask the Minister for Health if a list of hotels in which the HSE has accommodated healthcare workers during the pandemic will be provided; the number accommodated in each hotel; if any Covid-19 positive healthcare workers were accommodated in hotels in tabular form; and if he will make a statement on the matter.

## Dear Deputy Shortall,

Thank you for your representation. The HSE runs a National Self-Isolation Facility at Citywest Hotel which opened to admissions on 1st April 2020. The service is provided for people affected by COVID-19 (positive or suspected cases, or close contacts of confirmed cases) who have the capacity for self-management, are required to self-isolate but are unable to do so. The purpose of the unit is to provide a safe environment to self-isolate and to minimise the risk of community transmission of COVID-19. Referrals to this facility are made by a discharging hospital, GP, Public Health doctor, contact tracing team or other appropriate medical physician via a dedicated email using a standard referral form. This is the facility to which anyone testing positive, healthcare worker or member of the public, should be referred if they are unable to self-isolate at home.

In addition a temporary accommodation scheme for Healthcare Workers is in place nationally since early April 2020. This scheme, which is temporary and in response to COVID-19, ensures temporary accommodation is available at suitable locations within a Healthcare Worker's immediate work area. The purpose of the scheme is to ensure that the health of the healthcare worker and the people with whom they normally live is protected as well as protecting our ability to continue to provide essential health care services. The temporary accommodation scheme is not available for Healthcare Workers who test positive and are clinically required to self-isolate for 14 days. Healthcare Workers who are clinically required to self-isolate for the National HSE Self-Isolation Facility at Citywest.

A breakdown of the number of healthcare workers accommodated by volume and hotel is provided with this representation.

I hope this provides you with assistance.
