9th February 2020

Deputy Mark Ward
Dáil Eireann,
Dublin 2.

PQ5295/21

To ask the Minister for Health the status of the provision of a Primary Care Centre on Boot Rd, Clondalkin, Dublin 22; and if he will make a statement on the matter. -Mark Ward, TD

Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

South Dublin County Council, on the 14th December 2020, gave a grant of permission for the Change of Use for 'Building B' as a Primary Care Centre. No third party appeals to the decision have been submitted. Whilst the developer has submitted a first party appeal in relation to the development contribution, they have informed the HSE that advance works contracts will commence on site in Spring 2021 with an approximate two year programme to completion of construction.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Mary O'Kelly
