Deputy Mark Ward
Dáil Eireann,
Dublin 2.

PQ5296/21

To ask the Minister for Health the status of the provision of a Primary Care Centre in Adamstown, Lucan, County Dublin; and if he will make a statement on the matter. – Mark Ward, TD.

Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

HSE Estates are engaging with the developer of the Town Centre and Heads of Terms on the provision of a Primary Care Centre, and are almost agreed. The Primary Care Centre (PCC) is being developed and delivered by the HSE's Operational Lease mechanism. This mechanism facilitates primary care services being provided by both the public and private sector (HSE and General Practitioners) on an integrated basis. The private sector provides for the Primary Care Team infrastructure with the HSE taking fixed term leases for their portion of the facilities. Once approval is received, the HSE will enter into an Agreement for Lease for the PCC, and design of the centre will commence. It is estimated that the PCC will be operational in 2024.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,

Mary O'Kelly
