

Mr. Mark Ward, TD,
Dail Eireann,
Leinster House,
Kildare Street,
Dublin 2.

17th February 2021

PQ 5297/21 * To ask the Minister for Health the status of the provision of a primary care centre in Rowlagh, Clondalkin, Dublin 22; and if he will make a statement on the matter. -Mark Ward

Dear Deputy Ward,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

HSE Estates agreed with the local school Collinstown Park Community College and Dublin & Dún Laoghaire Education & Training Board (DDLETB) on the site location for the Primary Care Centre (PCC) in Rowlagh in return for works to the school. On that basis HSE Estates proceeded to complete design works including and enabling works package. In addition, planning permission, the fire safety cert and the disability access certificate have all been granted.

There has been delays to the project due to the issue regarding the transfer of the site to the HSE from the Department of Education. HSE Estates are still in discussions with the Department of Education to progress the project.

Yours sincerely,

Jim Curran
National Director, Estates
