**PQ 5848/21:           When x-ray services will be reinstated in Our Lady's Hospital,  
Manorhamilton, Co.Leitrim**

Dear Deputy Kenny,

The Health Service Executive has been requested to reply directly to you in the context of the above Public Representation. I have examined the matter and the following outlines the position.

**Response:**

The resumption of x-ray services in Our Lady's Hospital Manorhamilton is currently being discussed with the intention of opening late March 2021. X-ray services will open for Rheumatology services and GP patients who are currently on a waiting list, residing in close proximity to Our Lady's Hospital Manorhamilton.

I trust that this addresses your query.

Yours sincerely,

**Georgina Kilcoyne**  
**Assistant General Manager**

**Mission Statement**

*Sligo University Hospital is committed to the delivery of a high quality, patient centred service in a safe, equitable and efficient manner.  
We recognise and value the contribution of each staff member and endeavour to support them in their ongoing development.*
