PQ ref 6180-21 (160) To ask the Minister for Health the position regarding residents who test positive following a first vaccination for Covid-19 as to whether or not they will be given the second vaccine injection; and if he will make a statement on the matter.

Dear Deputy O'Dowd,

Thank you for your representation. Opportunities will be made available to vaccinate staff and residents who were not able to complete their course of COVID-19 vaccines due to testing positive for COVID-19. The vaccine will be given at least four weeks after their positive test.

I hope this provides you with assistance,

Yours sincerely
