Dear Deputy Kerrane,

Re: PQ6192/21 (Health)

To ask the Minister for Health when a fire audit was last conducted at Roscommon University Hospital; and when the next fire audit is scheduled for the hospital.

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question/Public Representation which you submitted to the Minister for Health for response.

The most recent fire audit was carried in Roscommon University Hospital in on 11th February 2020 as part of the annual fire safety training programme. For 2021 fire safety training will be delivered online due to the Covid19 pandemic.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely,
