Re: Parliamentary Question - 8110/21

To ask the Minister for Health the status of the commitment to deliver a primary care centre in Birr, County Offaly; and if he will make a statement on the matter.

Dear Deputy Nolan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outline the position as follows.

National HSE Estates Property Review Group (PRG) approval has been received for Birr PCC. Following this a paper was submitted for inclusion on the agenda for the next HSE Board meeting seeking approval also.

Both PRG & HSE Board approval are required before a Letter of Intent can be issued to the successful developer

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
