**PQ 8351/21**

"To ask the Minister for Health the locations of paediatric diabetes clinic services; the number of children each service supports annually; and if he will make a statement on the matter.

Dear Deputy Cairns,

I refer to your parliamentary question above to which I have been asked to provide a response on behalf of Children's Health Ireland (CHI).

CHI Crumlin has a very active and busy Diabetes and Endocrine outpatient service. The Diabetes and Endocrine service see over 1200 patients annually in the formal Diabetes Outpatient Clinic.

There are also patients seen in the Diabetes and Endocrine unit for separate education sessions, nurse-led appointments and inpatient reviews.

Yours sincerely,

---
