3rd March, 2021

PQ: 8924/21

To ask the Minister for Health the number of persons with diabetes who were funded for the dexcom continuous glucose monitoring sensors by the HSE long-term illness scheme and the primary care reimbursement service; and the number of such persons over 21 years of age by county in each of the years 2018 to 2020, in tabular form. -Sean Sherlock

Dear Deputy Sherlock,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 8924/21), which you submitted to the Minister for Health for response.

Please find attached the number of people over 21 by county for whom claims for Dexcom continuous glucose monitoring sensors have been submitted by pharmacies in each of the years 2018, 2019 and 2020.

Yours sincerely,
