PQ 8930/21 – To ask the Minister for Health the number of persons employed as speech and language therapists in services located in the north inner city, Dublin; and if he will make a statement on the matter. – Aodhán Ó'Ríordáin

Dear Deputy Ó'Ríordáin,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

There are currently 3.3 Whole Time Equivalent Primary Care Speech and Language Therapists in post at Summerhill Primary Care Centre which covers the North Inner City.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Michelle Forde
