RE: PQ 9131/21

“ To ask the Minister for Health the contact details for the sections that deal with all ongoing and established grant funding in his Department and in each agency under the remit of his Department in tabular form.”

Sean Sherlock

Dear Deputy Sherlock

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Section 38 and Section 39 of the Health Act 2004 enable the HSE to fund acute and community Service Providers across the country. The majority of these Service Providers are funded locally and attached are the contact details of the CEOs of the Hospital Groups and the Chief Officers of the Community Health Organisations who fund such Service Providers.

I trust this information is of assistance to you but should you have any further queries please contact me.

Regards.
