Re: PQ 9156/21

To ask the Minister for Health if the HSE plans to establish a vaccination centre in Bray, County Wicklow; if so, the stage plans are currently at; and if he will make a statement on the matter.

Response:

Dear Deputy Brady,

HSE Community Healthcare East (CH East) is currently exploring venues to set up mass vaccination clinics across Dublin South and Wicklow.

Venues are currently being viewed and assessed for suitability across CH East, to include venues in Bray, Co Wicklow.

To date, the only venue confirmed with agreement reached late last week is the Aviva stadium.

Kind regards
