To ask the Minister for Health if funding is available for an organisation (details supplied); and if he will make a statement on the matter.

Dear Deputy Kerrane,

The Health Service Executive has been requested to reply directly to you in the context of the above Representation. I have examined the matter and the following outlines the position.

The National Lottery Funding distributes funding to community groups, voluntary organisations. Groups and organisations who provide Health and Personal Social Services can apply for funding. The organisation can apply for this funding by submitting an application form to their local Community Healthcare Organisation. The application form is available on the HSE website at <https://www2.hse.ie/services/national-lottery-grants/national-lottery-grants.html>.

The closing date for application forms to be sent to your local Community Healthcare Organisation (CHO) will be Friday, 16th April 2021.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

Frank Murphy
