**“To ask the Minister for Health if consideration has been given to establishing a Covid-19 vaccination centre in Bray, County Wicklow; if he has taken into consideration the population of the town; and if he will make a statement on the matter” – John Brady, T.D.**

Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 11129/21), which you submitted to the Minister for Health for response.

The HSE has given consideration to all possibilities for establishing COVID-19 vaccination centres in Bray and surrounding areas. In line with HSE requirements none of the facilities in Bray were deemed appropriate to serve as a vaccination centre. Shoreline Leisure Facility will serve as the nearest vaccination centre to Bray and can be accessed by public transport as well as supporting adequate parking facilities.

I trust this information is of assistance to you.

Yours sincerely
