Dublin 2.

PQ 11704 - To ask the Minister for Health the operational status of the rapid access skin cancer clinic at University Hospital Waterford; the plan to resume full services; and if he will make a statement on the matter.

Dear Deputy Cullinane

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I wish to confirm that patients who fall under the Rapid Access Skin Cancer Clinic are under the urgent time critical category and for this reason the Rapid Access Skin Cancer Clinic has continued as normal during the pandemic.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours Sincerely,

**Grace Rothwell,
General Manager,
