PQ11832/21

"To ask the Minister for Health if he will request the Health Service Executive to review the locations of mass vaccination centres to ensure persons living in Dún Laoghaire-Rathdown which has a population of almost 250,000 persons and its environs have adequate access to a centre without vulnerable persons have to travel excessive distances; and if he will make a statement on the matter".

Dear Deputy Devlin,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (Reference PQ11832/21), which you submitted for response.

The HSE has given consideration to all possibilities for establishing COVID-19 Vaccination Centres in the Dún Laoighre-Rathdown and surrounding areas. An option in Dún Laoighre was identified, however the service decision was not to proceed with this option at this time.

I trust this information is of assistance to you.

Yours sincerely
