Dáil Eireann,  
Dublin 2.

**PQ 11900/21**

**To ask the Minister for Health when the Athy primary medical centre will be fully operational; and if he will make a statement on the matter. - Patricia Ryan TD**

Dear Deputy

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Athy Primary Care Centre (PCC) opened in July 2020, however it will not be fully operational until the cessation of the current restrictions, in accordance with Covid-19 public health guidelines. We very much look forward to providing the full range of planned services from Athy PCC as soon as restrictions allow.

I trust this information is of assistance to you but if you have any queries or require any further information please do not hesitate to contact me.

Yours sincerely,
