**PQ 11995-21 To ask the Minister for Health the number of late, delayed or missed vaccine deliveries from the HSE to hospitals, general practitioner practices and other vaccination administration locations by county; the quantity of doses delayed and the length of delay for each occurrence in tabular form; and if he will make a statement on the matter. -**

Dear Deputy Cullinane

Thank you for your representation. The roll out of the vaccine programme is complex and reliant on vaccine supply. Clarification has been received from the vaccine programme and the data requested is not available. You will be aware that data is published daily and can be found in the following link <https://covid19ireland-geohive.hub.arcgis.com/pages/vaccinations>

I hope this provides you with assistance,

Yours faithfully
