RE PQ 12688/21

Question

To ask the Minister for Health the status of car parking charges systems in each hospital which are run by the hospitals and private companies; the status of the contractual agreement with the private companies; and when these contracts lapse. - Mark Ward

Response

Deputy Ward,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Car parking clamping services are provided by an external service provider separate to the security services provider. The OGP had a Framework for "Managed Car Parking Services (clamping, ticketing)". The framework duration was valid from: Tue 31 Jan 2017 and it expired on Sun 31 Jan 2021.

The OGP 2021 schedule does not include a renewal of this framework agreement and the list of live framework agreements on the website does not include this framework agreement.

I trust this information is of assistance to you, but should you have any further queries please do not hesitate to contact the Office of the Head of Procurement on (01) 635 2688 or via ohop@hse.ie.

Yours sincerely,

John Swords | National Director of HBS | HSE | 2nd Floor | Dr. Steevens' Hospital | Dublin 8 | D08 W2A8 |
