Re: PQ 13668/21

To ask the Minister for Health if he will provide a radiographer for a hospital (details supplied); and if he will make a statement on the matter.

Details supplied: Ultrasound service, Nenagh Hospital, Co. Tipperary

Dear Deputy Kelly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

I have been in contact with the relevant staff and I have been informed that the Radiology Department at Nenagh Hospital is currently staffed by one Radiographer. The Radiology Department provides valuable ultrasound services for inpatients at Nenagh Hospital and for other services including the Medical Assessment Unit, the Outpatients Department and for GPs in the North Tipperary region.

I trust this clarifies the position. Please do not hesitate to contact me if you have any further queries.

Yours sincerely,

PP Colette Cowan
