Re: PQ 13862/21 – Ratio of consultants to nurses, RHM

“To ask the Minister for Health the ratio of consultants to nurses at Midlands Regional Hospital, Mullingar.”

Dear Deputy Clarke,

I refer to the above Parliamentary Question seeking the ratio of consultants to nurses in Regional Hospital Mullingar, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that based on census figures for February 2021 consultants are at 44.58 WTE versus Midwifery & Nursing Staff (includes nurse management) are at 352.28 WTE.

I trust this information is of assistance to you.

Yours sincerely

Paul Gallagher
Chief Director of Nursing and Midwifery
