Deputy Seán Canney,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 15218/21

"To ask the Minister for Health the reason the multidisciplinary pain team roles at CHI that have been filled for the past three months are not seeing any patients; and if he will make a statement on the matter".

Dear Deputy Canney,

I refer to your parliamentary question above to which I have been asked to provide a response.

CHI is aware that the current interim situation regarding our Paediatric Complex Pain Management Service is a cause of much anxiety and upset for parents and children. CHI secured funding from the HSE to develop a Paediatric Complex Pain Management Service and have recruited the following new posts; Occupational Therapist, Psychologist, Physiotherapist and Advance Nurse Practitioner

As an interim measure while the active Consultant recruitment campaign remains underway, CHI has arranged for a Consultant Anaesthesiologist in Northern Ireland, who specializes in both Paediatric and Adult Pain Management, to stand up weekly clinics for CHI at Crumlin and CHI at Temple Street since June 2020.

These weekly complex pain clinics take place in CHI at Connolly Urgent Care Centre and include the full Multidisciplinary Team.

Yours sincerely,

Joe Gannon
