"To ask the Minister for Health the reason the Covid-19 testing centre in Newtownmountkennedy, County Wicklow was closed for Covid-19 testing on 13 and 14 March 2021; and if he will make a statement on the matter".

Dear Deputy Brady,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (Reference PQREF15286/21), which you submitted for response.

The Test Centre at Killadreenan was open on Sunday 14th March from 10 a.m. to 18:00 p.m. 141 appointments were issued for that day with 117 attendees and 24 D.N.A.'s. All Saturday referrals were issued with an appointment at the Shrewsbury Test Centre,

I trust this information is of assistance to you.

Yours sincerely
