Re: Parliamentary Question – 16288/21

To ask the Minister for Health the reason the vaccination hub in Athlone, County Westmeath is starting at the end of March 2021 but not happening in Mullingar, County Westmeath until mid-April 2021; and if there is a delay in Ireland receiving vaccines.

Dear Minister Troy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you recently submitted. I have examined the matter and outline response as follows.

All centres are due to open the week commencing 3rd May. The opening of centres is dependent on vaccine supply and sufficient staffing across all grades of staff.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Des O'Flynn
Chief Officer
Midlands Louth Meath Community Health Organisation
