29th March 2021

Dear Mr Kelly

Reference your enquiry 24.03.21 in regard to operating theatres in Beaumont Hospital.

- there are 11 out of 12 theatres currently operational in Beaumont Hospital (of which 2 remain largely dedicated to neurosurgery)
- all theatres in St Joseph's Hospital, Raheny are operational.
- full restoration of theatre services expected over the coming weeks.

Kind regards

IAN CARTER
