PQ 23500-21 – Deputy Roisin Shortall: To ask the Minister for Health the arrangements in place for persons who received their first Covid-19 vaccination in another country and have since moved to live in Ireland; if they will be facilitated with their second dose at the time it is due irrespective of the cohort they are in; and if he will make a statement on the matter.

Dear Deputy Shortall,

Thank you for your representation. The HSE are rolling out the vaccine programme in line with the National Immunisation Advisory Committee (NIAC).

The HSE have been facilitating the administration of the second dose of vaccine from the three vaccines available (Pfizer, Moderna and AstraZeneca).

I hope this provides you with assistance.

Yours faithfully
