PQ 23631-21 – Deputy Peadar Tóibín: To ask the Minister for Health the number of persons aged between 65 and 69 years of age who have registered for the Covid-19 vaccine; and the number of persons in that age bracket who have not registered.

Dear Deputy Tóibín,

Thank you for your representation. The HSE is rolling out the Covid Vaccine Programme in line with the National Immunisation Advisory Committee (NIAC).

The vaccine programme is not a mandatory programme, and requires an opt-in process.

Data available doesn't distinguish between those that have registered online or by telephone.

As of the 6th July 2021, over 458,000 people in the 60-69 year old age bracket have been partially vaccinated. With over 340,000 (69%) fully vaccinated after receiving a second or single dose.

Cohort	Dose 1	Dose 2	Single Dose	Total
Cohort 1 (65 + LTCF)	111,962	106,848	2,039	220,849
Cohort 4 (People aged 16 – 69 years, very high risk)	277,446	234,008	177	511,631
Cohort 5 (all people remaining aged 60 years plus)	332,526	111,465	4,263	448,254

I hope this provides you with assistance.

Yours faithfully
