Re: PQ 23890/21 To ask the Minister for Health the number of the recorded Covid-19 deaths that already had an underlying health condition; and if he will make a statement on the matter.

Dear Deputy Healy Rae

I refer to the above Parliamentary Question which has been referred by the Minister for Health to the Health Service Executive for direct response.

HPSC commenced publication of a weekly report of COVID-19 deaths reported in Ireland on 30th April 2021. The report is available on the HPSC website at: <https://www.hpsc.ie/a-z/respiratory/coronavirus/novelcoronavirus/surveillance/weeklyreportoncovid-19deathsreportedinireland/>

The report contains summary characteristics of COVID-19 deaths notified in Ireland which includes data on the number and percentage of COVID-19 deaths in those with underlying conditions.

If you require any further information or clarification please do contact us.

Yours sincerely,

Dr John Cuddihy,
Interim Director of HPSC,
25-27, Middle Gardiner St.,
