PQ 24624/21 – To ask the Minister for Health the number of full-time chiropodists working in each primary care centre in CHO 9 in tabular form; and if this number will be increased. – Alan Kelly

Dear Deputy Kelly,

In the first instance I would like to apologise for the delay in responding due to the cyber-attack.

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

One podiatrist is employed at Coolock Primary Care Centre.

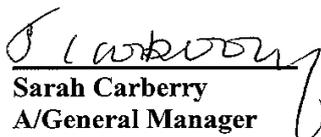

There are two WTE for Diabetes Integrated Care due to start in June/July 2021.

With the Enhanced Community Care and Chronic Management Programmes, it is hoped further Podiatrists will be recruited.

Community Health Organisation Dublin North City and County (CHO DNCC) does not employ chiropodists.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Sarah Carberry
A/General Manager
