Question:
To ask the Minister for Health the number of nurse graduates Mayo University Hospital will be hiring in 2021.

Dear Mr Kelly

The recruitment campaign for 2021 new graduate Registered Nurses is currently ongoing with an application closing date of May 12th.

Following shortlisting and interviews we will have confirmation of those who are identified for appointment as RNs at MUH.

All those identified as suitable for appointment who subsequently accept the offer of a post at MUH will then be appointed subject to the approval and provision of permanent Employment Control position numbers.

Yours faithfully,

Catherine Donohoe
Hospital Manager
