Dear Deputy Doherty,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Waiting List Information	April 2021
Age Category 0 - 6	111
Age Category 6 - 18	233

\*Please note that the above information may not be fully accurate due to a vacant clerical admin support position in recent months following re-deployment to a Covid Testing Centre; however, we hope to have more accurate information by end of July 2021

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,
