*\*To ask the Minister for Health if as part of the commitment to expand jigsaw services in the Programme for Government he plans to provide a jigsaw centre in County Mayo; and if he will make a statement on the matter.\**

Dear Deputy Conway-Walsh,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position;

There are no plans currently to extend Jigsaw services to County Mayo. Mindspace based in Castlebar provide similar services to Jigsaw covering the Mayo population. Community Healthcare West, Mental Health Service provide funding to Mindspace through Mental Health Ireland.

Please find below their contact details along with a link to their website which details the services they provide and how they can be accessed.
