Re: PQ 52532/21 – MRI, WGH

“To ask the Minister for Health if the staffing and management of the current MRI service at Wexford General Hospital is wholly funded through the HSE; and if he will make a statement on the matter.”

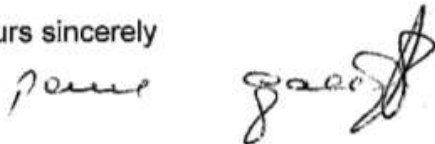

Dear Deputy Murphy,

I refer to the above Parliamentary Question seeking an update regarding the MRI service in Wexford General Hospital, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that the current MRI service at Wexford General Hospital is provided by Alliance Medical Diagnostic Imaging Ltd. Wexford General Hospital has a Service Level Agreement in place to avail of the MRI service.

I trust this information is of assistance to you.

Yours sincerely

Paul Gallagher
Chief Director of Nursing and Midwifery
