PQ 52998/21* To ask the Minister for Health if the HSE will provide information on plans it has for a one hectare site in its ownership at Jamestown, Ratoath, County Meath; and if he will make a statement on the matter. -Ged Nash

Dear Deputy Nash,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

A 1.023 hectares site was purchased in 2001 by the HSE with the intention of building a primary care centre.

Ratoath is still included in the most recent network plan for HSE Primary Care Centres for Co. Meath and it is the intention of the HSE to retain ownership of the site to enable the development.

Yours sincerely,
