Dear Deputy Hourigan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Please find enclosed spreadsheet which contains the information requested in relation to quantity of rooms in each of the mental health facilities named in your request. With regards to the number of service users in multi occupancy rooms, I wish to highlight that multi occupancy (i.e. shared) rooms in both facilities have operated at and continue to operate at reduced capacity in adherence with Infection Prevention Control guidelines and recommended social distancing measures in relation to the Covid Pandemic.

I trust you find the above clarifies the query raised.

Yours sincerely,

---

A/General Manager
