Re: PQ 53145/21 – Paediatric diabetic clinic, RHM

“To ask the Minister for Health the number of patients attending the paediatric diabetic clinic, Mullingar, County Westmeath.”

Dear Deputy Clarke,

I refer to the above Parliamentary Question seeking the number of patients attending the paediatric diabetic clinic in Regional Hospital Mullingar, which has been referred to the Ireland East Hospital Group for direct response.

I have had this matter examined and am advised that there are currently 125 patients actively attending Regional Hospital Mullingar's Paediatric Diabetic Clinic at present.

I trust this information is of assistance to you.

Yours sincerely

Paul Gallagher
Chief Director of Nursing and Midwifery
