PQ 54045/21 *To ask the Minister for Health the number of orthopaedic beds designated for pelvic fractures in each of the seven hospital groups in each of the years 2016 to 2021, in tabular form; and if he will make a statement on the matter.*

Dear Deputy Daly,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

While the seven hospital groups have hospitals which provide orthopaedic procedures there are no beds designated for pelvic fractures specifically.

I trust that this answers your question.

Yours sincerely,

Angela Fitzgerald
Deputy National Director
