PQ54539/21 To ask the Minister for Health the number of annual leave days foregone and unused by nursing, midwifery and medical staff in each of the years 2017 to 2020. -David Cullinane

Dear Deputy,

I refer to your recent parliamentary question above which was sent to the HSE for reply.

It is unlikely that annual leave days are foregone – all staff are requested to use their Annual Leave quotient and the general practice is that line managers liaise with their staff to ensure that leave days are taken. Any information in this regard would be held by line managers locally and is not recorded centrally. Therefore we are not in a position to respond to the question as presented.

Yours sincerely,
