Geesala Healthcare Centre

To ask the Minister for Health the status of the operations of a centre (details supplied); when it will be fully operational to pre-Covid-19 levels; and if he will make a statement on the matter.

Dear Deputy Dillon,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question. I have examined the matter and the following outlines the position.

I can confirm that Geesala Health Centre is currently in use, the Public Health Nurse carries out clinics in the centre one day per week.

With respect to the GP services at Geesala Health Centre, I can advise that our Senior Management are continuing to work with the GP service in order to implement his requirements for him to recommence use of the building.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely,

Mary Warde
Head of Primary Care Services
Community Healthcare West
